Publishing Books That Become bespoke generational Artefacts

Some books are meant to be read.

Others are meant to be *kept*.

The Elite Imprint exists for works of perpetuity - books that are visually unique, materially exquisite, and designed to endure

across generations.

Who Elite Is For:

Elite is reserved for:

- High-end coffee table books
- Visually driven legacy projects
- Cultural, artistic, or archival works
- Books designed as heirlooms and statements

These books are not mass-market publications.

Our Philosophy:

Elite books are crafted intentionally and exquisitely.

They are designed to live in homes, collections, institutions, and private libraries to be revisited, displayed, and passed down.

Every decision is guided by mutual intuition, permanence, and presence.

The Elite Experience:

Every Elite project includes:

- Concept-to-artefact creative direction
- Editorial and curatorial oversight
- Museum-quality design sensibility
- Premium materials and production guidance
- Strategic positioning for legacy placement

Elite projects are limited and highly selective.

Investment

The Elite Imprint collaborations typically begin at **\$45,000 AUD** with many projects ranging between **\$60,000–\$85,000+** depending on scale, design, and production requirements.

Elite is not for trends.

It is for those creating something that must endure.
